

MUSICAL THEATRE WORKSHOP

3 DAYS OF PERFORMANCE SKILLS

Spot On Productions is excited to once again be offering our Musical Theatre Workshop!

This year we will be running a 3 day performance skills workshop during the April school holidays. Participants will rehearse hit songs from a range of musicals to learn and develop skills relating to vocal warm ups and technique, singing as an ensemble, dance for storytelling and acting for musical performance.

The workshop is available to school students aged 8 years and older. Participants can register to be part of the Junior Primary School Ensemble (8 – approx. 12 years) or the Senior Secondary School Ensemble (approx. 13 – 18 years). Ensembles will work both separately and together throughout the duration of the workshop. There may be solo singing to be divided amongst the confident singers in the group. Everyone will have the opportunity to be considered for these parts.

All participants will take part in a concluding workshop finale where they will show what they have learnt. You will be asked to provide a simple dressy outfit for this occasion.
